COLOURING SERVICES

ALL colours require a skin test 48 hours prior to each application.

PRICES do **NOT** include cutting and finish.

Temporary Colour £1.25

Semi-permanent Colour £5.75

QUASI-PERMANENT COLOUR

Hair Manicure £8.25

Creates a subtle or dramatic colour change. Will not lighten natural hair colour. Covers up to 40% of white hair and gradually fades from the hair in good condition. Can be more permanent on porous poor condition hair.

Glossing £8.25

Just adds shine to your hair.

Pastel Toning £8.25

Removes excessive gold tones from hair that has previously been bleached or lightened (does not include bleaching and lightening).

PERMANENT COLOUR

Full Head £13.25

Re-Growth £10.00

Half Head £9.00

Half Head Re-Growth £7.00

Re-Growth Permanent Colour and Colour Balancing £14.75

Combing your permanent hair colour through to the ends to refresh the colour can actually make your hair more porous, which in turn, can make the colour fade even faster. Colour balancing replaces the permanent hair colour normally combed through your hair with Goldwell's Colorance Acid Colour.

ALL colours require a skin test 48 hours prior to each application.

PRICES do **NOT** include cutting and finish.

PERMING SERVICES

PRICES do **NOT** include cutting and finish.

Please check for availability before booking.

Alkaline Perms **£12.25**

(Vitensity)

Suitable for most hair types, except very porous or chemically treated hair.

Alkaline/Acid System **£13.25**

(Biolife)

Depending on your hair type, the perm lotion used will be either alkaline or acid. Suitable for all hair types, including those with highlights.

Acid Perms **£14.25**

(K-Pak Waves)

Very gentle, this type of perm is ideal for fine, porous or chemically treated hair. It is not suitable for strong resistant hair.

NOTE: Long hair perms are charged double if two applications of perm solution are used.

Colour Perming

Additional £5.25 on top of the cost of the perm

Does your hair colour fade when you have a perm? Well, now you can have the colour refreshed during the perming process with Goldwell's Colorance Acid Colour, a non-permanent [quasi] hair colour that gradually fades from the hair.

A skin test 48 hours prior to a Colour Perming application.

CONDITIONING

PRICES do **NOT** include cutting and finish.

Joico Body Builder **£3.60**

A specially formulated blend of strengthening proteins and carbohydrates.

Joico Thirst Quencher **£4.25**

A twenty-minute treatment, which will add moisture to dry, fine or chemically treated hair. It will help to restore the hair's elasticity without weighing it down.

Joico Drought Buster **£4.60**

A twenty-minute treatment for coarse and unruly dry hair. The treatment will bind moisture in the hair, whilst strengthening proteins. It is designed to enhance the hair's internal structure, making the hair softer, more supple and easier to comb.

Joico Strengtheners **£4.90**

Incorporating Joico's innovative protein restructurant, HKP. This will build a completely new internal structure within the hair shaft, providing strength and elasticity to chemically treated hair.

Joico Ultimate Hair Repair **£5.60**

Hair is made up of protein and moisture and by repairing the hair structure by application of the Joico Hair Repair System, you will discover the feeling of healthy, beautiful hair.

Joico Problem Scalp **£5.20**

A treatment for Eczema, Psoriasis, Seborrhoea and Dandruff affected scalps.
